

adult connect groups

sunday mornings | sbc

connect groups are a place
where we...

- focus on learning and applying God's word to our lives
- purposefully pray together
- intentionally care for and keep up with one another
- actively engage in the life and mission of the church

We see a picture of groups like this in the Bible in the book of Acts 2:42-27. It is our belief that every person in Sarasota Baptist can benefit from being in a connect group.
