Missions Sunday Follow-Up

Last week, during the second hour of our Missions Sunday, Marvin Johnson made reference to a book by Jay Pathak & Dave Runyon, entitled: "**The Art of Neighboring, Building Genuine Relationships Right Outside Your Door**". The Johnson's are part of a LIFE group that will be studying "Neighboring" over the next few weeks. If you would like to join them, they will be meeting in Pastor Jeff's old office - just across the hall from the east end of the sanctuary.

A number of the ideas that Pastor Jeff shared with us, during his portion of the message in the Worship Hour, were from "seeds" planted as he read and reflected upon this book. In fact, the idea for the focus of this year's Mission Sunday originated from his reading and appreciation of the work that Dave Runyon, Jay Pathak and their organization CityUnite have done. During these winter months, let's remember to reach out and love our neighbors!

Join us TODAY for a

Interested in becoming a member of the church?

Don't forget to turn in your new membership applications to a Deacon or the Church Office.

Please join us for **MUGGS THIS Tuesday October 13th** at 9am.

We will Fellowship together and dig into our first lesson. Facing uncertain moments in life with Grace, Strength, and Joy and developing an "Attitude of Gratitude". We will be outside once again, if weather is good, inside if it is not. Please remember to bring entertainment and snacks for your kiddos, and your refillable coffee cup!

We are also working on putting as much as we can on-line for those that cannot, or do not, feel comfortable meeting in person.

Hope to see you there!

Please note change of location

John Sneddon's LIFE group - studying the Book of John - will be changing their meeting room to Pastor Craig's old office - across from the sanctuary. They will not be meeting upstairs behind the balcony.

Steve Bauer will be taking an evangelism team to the Super Bowl again this year. If you are interested in being part of this team, please see Steve for more information.
