

SUPPORTER UPDATE

“Equipping Christians For Service”

August 2021

From the Director

Just as with all the months, August has been a hectic month for the Northwest Florida School of Biblical Studies. The Summer Semester has ended, so report cards are being prepared for the mail. The end of a semester brings the start of another semester and a hectic time for myself, the instructors, but mainly, our Dean of Administration, Ray Brantley. He does a tremendous job of helping pull everything together during these times of transition.

At this writing, the new Fall Semester has begun, and we have over 55 students enrolled in courses. We anticipate a few more registrations to come in this week before the process closes. It is incredibly encouraging to see so many desiring to learn more about God's word. Monday night, August 16th, I sat in the live conference, and I witnessed over twenty men learning about Eldership Development. These men were an eclectic mix of Christians. Some were elders, others deacons, some preachers, and even one was a senior in High School that is busy preparing himself for service in the Kingdom.

I am often asked if we still have “preacher” students. The answer to the question is a most definite “YES!” We have students enrolled that are bi-vocational preachers, full-time preachers, and youth ministers. We love the opportunity we give these men to be in the field working while they are training!

In September, we will be broadcasting into another market with Have a Bible Question. We will be in the Bluefield / Beckley, West Virginia market at 6:30 AM every Sunday morning on the Fox station. We will also be broadcasting on the Sky Network, which has the potential reach of 45 million households in the United Kingdom, Caribbean & Africa. We are thankful to have the opportunity to continue spreading God's word not only in the United States but throughout the world. We are currently conducting Bible Correspondence Courses throughout the United States (including Hawaii), India, and the United Kingdom.

The Milestone congregation held its annual giveaway day and had a Gospel Meeting with Larry Montgomery as the preacher. The month has been busy with school and congregational responsibilities. Please do not see that as a complaint but an appreciation for the opportunities to “be about my Father's business” (Lk. 2:49).

In closing, I want to extend my most profound appreciation for the prayers you offer on behalf of the school and the financial support you send. Without your commitment and dedication to supporting this work, the 55+ students this semester (150+ students since Fall 2020), 148+ Bible Correspondence Courses, Have a Bible Question broadcast to potentially millions of homes would simply stop. You are the one that is making a difference. Your dedication humbles and motivates me! I cannot say it enough, “Thank you, Thank you, Thank you!”

-Guyton E. Montgomery
