## Helping Families at the Mexican Border

FUMC will be providing space heaters, blankets and other needed items for our partner churches at the Mexico-US border. This will continue the tradition of FUMC to support immigrant families and others in need who have been especially impacted by the global pandemic.

Items that are especially needed during the upcoming winter season include:

Large Space Heaters  
\$75 each

Large Blankets  
\$35 each

Small Space Heaters  
\$55 each

Small Blankets  
\$30 each
