

Books of the Bible Game

Supplies Needed:

- Bible
- 69 medium sized tongue depressors or Styrofoam cups
- Black Marker (Permanent marker works best. A pen works as well)
- 5-7 colored markers or pens
 - this step below is optional but still advised

Instructions:

- On 2 sticks or the rim of 2 cups write "Old Testament" and "New Testament"
- On 10 sticks or the rim of 2 cups write the categories of books. You can do this in black marker and add color later or write these in different colors. Here are the colors I used:
 1. Law- Red
 2. History - Yellow
 3. Poetry/Wisdom - Purple
 4. Major Prophets - Orange
 5. Minor Prophets - Green
 6. Gospels - Red
 7. Church History - Yellow
 8. Paul's Letters - Purple
 9. General/Other Letters - Orange
 10. Prophecy - Green
- On the other sticks or cups, write the names of the books on the front in black. I combined 1&2 Samuel, 1&2 Kings, and so on.
- On the back of each stick or the rim of the back side of the cup, put the number of the book. Example: Genesis -1, Haggai - 37...
- You can then put a colored line or dot on the side with the number to correspond with the color you chose for the categories above or the kids can wait until I explain that in a future video.

*Sticks are more durable and easier to store, but also easier to lose!
