Event Details

We are SO excited about the Epic Games. This is a six week series we began last week! The youth group has been divided into four teams, and they earn points in several different ways. We play games before and after every service, allowing the teams to earn points. Students can also earn points for their team by bringing friends or giving to Speed the Light! At the end of the series we will announce the winner and have a small party for them! Pastor

Mission Statement

**Generating Leaders that
Generate Leaders**

Michael has also challenged our students to go above and beyond in their Speed the Light giving in this series. He has said that: \$1000 to Speed the Light = Pie in his Face / \$2000 = Waxing his Legs / \$2500 = Dye his Hair / \$5000 = All 3! We are having a work day to help them raise some of that Speed the Light money. That will be Saturday May 11th at 9 am. Lastly, Sara Newton and Gabby Hardee are doing a volleyball 1/1000 (they do something 1000 times to raise money for Speed the Light). They are asking people to sponsor 1 point at a dollar a point. If you would like to sponsor one or several points, please see them or Pastor Michael.
