**VERSE 1**

1           6m7                           4                           5sus   5  
I was lost, I was in chains, The world had a hold of me  
1                           6m7                           4                           5sus   5  
My heart was a stone, I was covered in shame, When He came for me  
1                           6m7  
I couldn't run, couldn't run from His presence  
4                           5sus                           5  
I couldn't run, couldn't run from His arms

**CHORUS**

1           6m7                           4                           5sus   5  
Jesus, He loves me, He loves me, He is for me  
1           6m7                           4                           5sus 5 1  
Jesus, how can it be? He loves me, He is for me

**VERSE 2**

1           6m7                           4                           5sus   5  
It was a fire deep in my soul, I'll never be the same  
1                           6m7                           4                           5sus   5  
I stepped out of the dark and into the light, When He called my name  
1                           6m7  
I couldn't run, couldn't run from His presence  
4                           5sus                           5  
I couldn't run, couldn't run from His arms

**CHORUS**

**BRIDGE**

6m7                           4  
He holds the stars, and He holds my heart  
1                           5/7  
With healing hands that bear the scars  
6m7                           4  
The rugged cross where He died for me  
1                           5sus                           (break sustain)  
My only hope, my ev'rything

**CHORUS**

**ENDING**

                         6m7  
He loves me, He loves me  
4                           5sus 5 1  
He loves me, He is for me

My God, it's amazing, oh
