

# Reckless Love

## VERSE 1

6m7                      5                      4  
Before I spoke a word, You were singing over me  
6m7                      5                      4  
You have been so, so good to me  
6m7                      5                      4  
Before I took a breath, You breathed Your life in me  
6m7                      5                      4  
You have been so, so kind to me

## CHORUS

6m7                      5                      4                      1  
O, the overwhelming, never - ending, reckless love of God  
6m7                      5                      4                      1  
O, it chases me down, fights 'til I'm found, leaves the ninety - nine  
6m7                      5                      4                      1  
I couldn't earn it, I don't de-serve it, still You give Yourself a-way  
6m7                      5                      4                      1  
O, the overwhelming, never - ending, reckless love of God

You have been so, so good to me  
6m7                      5                      4
