

UNITY

In John 17:20-23, Jesus prays for everyone who believes in him. He asks God that we would be one in Him so we would have complete unity. Jesus says that this unity will show other people God's love.

Unity means being together or being in agreement. We can be different from each other but still be in unity and live in peace together. As Christians, we have unity with other Christians because we believe in the same God.

Can you think of one way we can live in unity?

God brings us together in unity through prayer. Who could pray for this week?
