

COVID-19 Guidelines

Sunday Morning Worship Services

9:30 a.m. will become mask required to allow those who are not comfortable worshipping otherwise to have opportunity to worship in-person.

11:00 a.m. worship service will remain mask-optional throughout the duration of the service.

Online Worship – For those who are not comfortable worshipping in-person, we have taken great measures to make the online experience as worshipful as possible. Presently, we have added a sound technician to the online streaming to enhance sound quality and level. We also have a Production Team Member who monitors the comments on Facebook Live to allow interaction with the worship, message and any prayer requests/needs the online congregation may have.

Covid-19 Guidelines for FBC Richmond while Madison County remains Red

*At the time that Madison County is no longer Red, all Covid Restrictions will return to pre-covid measures
