Sabbath

Do you know what it means to truly practice the Sabbath? If the “Sabbath” seems like a foreign concept, ask yourself, do you constantly feel drained, restless, and exhausted from all of your weekly activities? If so, I encourage you to watch this talk from our very own, Pastor Ray Green, on the Sabbath and, if needed, do some more research into it. We know that a college student’s life can be VERY busy, but we also believe that if you make the Sabbath an intentional part of your week, you will feel refreshed and rested because of what the Sabbath focuses on. <https://youtu.be/Us36zLdXyLo>

Passion Conference

Have you ever heard of the Passion Conference? Have you ever been? Whether you answered yes or no, YOU NEED TO GO THIS YEAR! Why?? Check out some of the videos below from this past year (we were there!) and then take a look at the details for this year! We’ll let you guess where we are going to be at this year ;)
