Our hope is that you find a house church that you really connect with! If you're thinking about joining a house church, feel free to try several house churches until you find the one that feels right to you. The house churches are very different from each other in terms of format and member-composition, and the leaders don't expect that every visitor will become a regular member ... they understand that people often need to "try on" a house church to see if it is a good fit.

# Caring for One Another

**Our personal relationship with God can be measured by our love and care for one another** (1 John 3:16-20).

We do not accept the cultural model that seeks every person's move toward complete independence. God's intention is clearly to move us toward a relationship of healthy **inter-dependence** (1 Corinthians 12:21, II Corinthians 8). We need one another for growth in our understanding and experience of God and to fulfill our God-given responsibility to love others.

In order to help each other fulfill this kind of relationship, New City Fellowship is committed to a community of house churches through which the primary care of the people of God for one another can take place. Our commitment to each other as fellow members of God's family means that we will walk through all the ups and downs of life together. It also means that we commit to supporting each other's basic needs, such as food, shelter, clothing, nurture, love, and care.

Pastors and deacons assist the members of the church in fulfilling this call to love, both by modeling and by teaching the congregation how to walk in the grace of the Gospel to fulfill this calling. This instruction takes place and is best expressed in each of the house churches, and House Church Care Teams. Presently there are five House Church Care Teams—each named by a book from the Bible and representing a community of house churches: Ephesians, Galatians, Romans, Colossians, and Deuteronomy.

**Meeting one another's basic needs is best done in relationship with your house church.**

With support of the diaconal ministry, house church members demonstrate their love for our Lord God and for our neighbor (Matt. 22:36-40) with the sharing of our resources - time, treasure and talents - during times of need (Acts 2:42-47).

- If needs are financial in nature and exceed the ability of the house church to address, the **Mercy Coordinator** (with support of their House Church Leader) may make a recommendation to their **Diaconal Care Leader** to request diaconal resources to help fulfill the need.
- If needs are related to food, clothing, furniture, or transportation, and exceed the ability of the house church to address, the **Mercy Coordinator** can coordinate access to the appropriate diaconal ministry with the help of their **Diaconal Care Leader**.

*They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer. Everyone was filled with awe, and many wonders and miraculous signs were done by the apostles. All the believers were together and had everything in common. Selling their possessions and goods, they gave to anyone as he had need. Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.*

**Acts 2:42-47**
