

Students!

I am super excited to be telling you that the Sullivan Baptist Student Ministry will be attending Mission Fuge (MFUGE) at Liberty University during summer 2021! This is a summer camp ministry that is put on through Lifeway.

This is a great opportunity that we will have to be able to grow in the Lord with our brothers and sisters from Sullivan Baptist, along with our brothers and sisters from other churches.

Liberty University is a known for being the largest private, non-profit university in the nation, and also the largest Christian University in the world! It is going to be an amazing opportunity for us to go to MFUGE there.

To start off, the price is \$339.00 per student. There is a \$60 deposit that is due no later than March 10<sup>th</sup>. The remaining balance will be due no later than June 7<sup>th</sup>, which must be paid in accordance with the Student and Children's ministry trip guide for spiritual retreats which is found under church policies on [sullivanbaptist.org](http://sullivanbaptist.org).

Since we are living in this COVID-19 world, there are some policies that I want to make you aware of. A new policy from Lifeway, for all FUGE camps is that the student completes a COVID-19 screening before the trip. If the student becomes infected with COVID-19, or is exposed to COVID-19, they are not allowed to go on the trip. This is done in an effort to keep all students and staff safe during the week. However, for those who test positive or are exposed to COVID-19, the entire cost of the trip will be reimbursed for that family.

There will be more information to come out in the future, but as always, if you have any questions please let me know!

In Christ.
