Church Family,

I hope this note finds you well and safe in our Lord Jesus Christ! I cannot begin to tell you how much you are missed and how much I love you in our Lord. Please know that our staff and Deacon Ministry are here for you. Thank you for keeping us informed of how you are doing. It is so important for you to let us know if you have ministry or special prayer needs. Contact us directly via email, text message, or phone. You may also leave a message at church as staff are checking voicemail regularly. We will do our very best to be there for you, to pray for you, and to comfort you during these awkward but critical times of ministry.

We will begin a verse-by-verse study through the Book of Joshua on Wednesday, January 13 at 7:00pm. This is one of my favorite books in the Bible. Joshua gives us instruction on how to take hold of our promised possessions that God has set aside for His children. It has many lessons for the New Testament Church.

PLEASE NOTE!! Our introduction to Joshua will be LiveStreamed on January 13 with subsequent teaching each Wednesday thereafter. ***The January 20 lesson will not be LiveStreamed but pre-recorded early and made available permanently for your viewing at any time beginning Saturday, January 16 by accessing the YouTube archives through the MEDIA link of our church website.*** This is being done due to a conflict with LiveStream capabilities for January 20. Future Wednesday Bible Study on the Book of Joshua will be LiveStreamed on Wednesdays at 7:00pm unless other notifications are given.

Keep reading and studying through The Word, and remember, **EveryONE Win ONE in '21!** (Please listen to the Sunday, January 10 message if you have not done so already!) Finally, pray for one another. We will be back in worship and fellowship together as soon as possible.

God loves you, and I love you!
