Dear Praying Friends,

January, 2021

BIMI's theme this year is "Promoting God's Saving Health" from Psalm 67:2 *That thy way may be known upon earth, thy saving health among all nations.* I feel our time is growing short and our Lord's return is soon. We need to redeem the time. While we don't know what is ahead to challenge us this year, God does and goes before us.

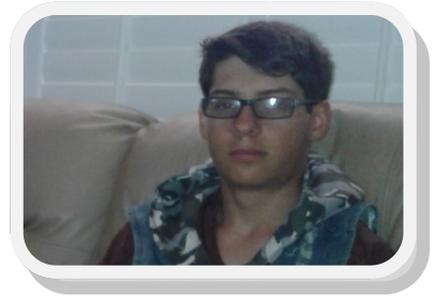

The Gila River reservation remains closed and church services are still being held online. Some have the courage to show up at the church but only 10 are permitted. The pastor is still asking prayer for God to send someone else to pastor the church. It has now been almost a year that this has been going on. I am waiting on the Lord to change the circumstances but now I am wondering if He is changing my direction. Please pray for me to know His perfect will, to be patient and to be sensitive to His leading.

Christmas was a blessed time with my son, Tim and his family in CA.

Time spent with family is rare and precious these days. In spite of all the restrictions, their church was open for in person worship. It was there that I was privileged to see the piano recitals for my two granddaughters. What a blessing to also be able to participate in their candle light service!

My grandson, Logan, has changed colleges. With CA's restrictions on West Coast Bible College, his first college experience did not go as expected. My son convinced him to try PCC for the second semester, so he is there as of the time of my writing. Please pray for him to grow spiritually and learn God's will for his life.

While I have mixed emotions for the ending of 2020 and the beginning of 2021, it's imperative for me to focus on what God wants of me and how to be totally surrendered to His purpose. I am excited to see what He has planned for this year. He has blessed me beyond measure with good health when so many are failing, even when I've been traveling. His provision has continued throughout the year, when others were struggling. I am continually humbled by His everlasting, flawless love! Thank you for being a part of that blessing!

Thanks to those of you who have given to the ministry through your missions giving, and those who have even given extra for Christmas blessings.

May God bless you richly as you grow and serve in the place where He has called you.

Titus 2:13 "Looking for that blessed hope, and the glorious appearing of our great God and our Savior Jesus Christ:"

For His Glory,
