

# BRIDGING LONDON

We are very excited to start hosting live, in-person church services beginning this month. A lot of work has been done in preparation for this reopening. It will be so good to see our people together in person for the first time in nearly 6 months. In the coming weeks, we are also looking forward to baptising several individuals who have come to Christ during the last few months.

In July, our family celebrated our second anniversary since moving to London. We cannot believe how fast time has gone. God has certainly done so many great things in this time. Hitting the 2 year mark means that we will be applying for new visas in about 7 months. So starting now, we are beginning to ramp up raising the \$15,000 it will cost to pay for our family's next visas. If you would like to help financially, please send all donations care of **Joshua Bell** to:

**BBFI Mission Office P.O. Box 191 Springfield, MO 65801**

Thank you for your prayers and support.

## REOPENING

Please **pray** that the reopening of our church to the public on 6 September goes well.

## VISAS

Please **pray** that we will both raise the needed funds for our visas and have no trouble renewing them.

## VISA OFFERING

Please **prayerfully** consider helping us raise the cost of our next visas so that we can continue to minister in London.

### Men's Bible Study

We had a great time at our in person Men's Meeting in July.

### Preaching in Person

Josh got the chance to preach in person at a local church for the first time in 5 months.

### Prep Services

During the last 2 Sunday services of August we've prepared our volunteers for the church reopening.
