

## October Update

The month of October was just as busy as the last, as we began presenting at Marsh Lane Baptist Church with Pastor John Hadley and his church family. A few days after that, we shared our hearts at Central Baptist Church in Mansfield, Texas, with Pastor Andrew Hayward. It also worked out for us to be able to last minute share our ministry at Central Baptist Church in Deer Park, Texas with Pastor Doug Harris for their Wednesday service. And our time in Texas ended with us going to Galveston, Texas with Pastor Donnie Foster at The Journey Church for their young adults retreat. We then headed directly back to Ohio, where Monica had to have surgery to get her wisdom teeth out, and Isaiah got to serve and present at Baptist Tabernacle Church in Carlisle, Ohio with Pastor Mike Gray for their mission emphasis month!

Please pray for our schedule, as these unprecedented times have been difficult for many. But we just want to thank everyone who has been so faithful through it all and look forward to seeing God work!

At Marsh Lane Baptist Church we were blown away by how welcoming everyone was! We had a blast spending time with Pastor John Hadley's family and the young adults the night before, and were incredibly blessed by everyone's generosity and encouragement. We are so excited to be partnering with them!

We shared our ministry at Central Baptist Church for their Wednesday night service and their church family was so sweet! We were able to share our ministry and spend some time with their youth group as well. They were such a blessing to us.

We then went to Central Baptist Church in Deer Park, which worked out last minute, and were able to present the work in Spain, share a song on our hearts, and Isaiah was able to preach as well. We are very grateful for how it worked out, they were so encouraging and we got to meet a lot of amazing people that are being used by God in great ways!

We ended our time in Texas by going to a young adults retreat in Galveston, with Journey Church. It was a great time to be able to hear from their speakers while also spending time with good friends! After that we came back to Ohio, and Isaiah was able to be a part of Baptist Tabernacle Church's mission month while I (Monica) recovered from surgery. The Saturday before they had a bonfire that he really enjoyed being a part of, and on Sunday he was able to preach, teach the teens, and present the ministry as well!

### **Sending Church:**

Vandalia Baptist Temple  
724 Helke Road,  
Vandalia, OH 45377
