

# Romanis in Peru

January to March 2022

Hello Friends and Family,

Greetings from Lima! We hope you are well and enjoying God's blessings. With this letter we bring you news from the ministry God has given us. Thank you for your support that allows us to be here serving the Peruvian people.

The new year greeted us with sickness for all of us and Giorgio in isolation. We thank God that, even though he had a rough few days, there was no need for him to be hospitalized. January and February are summer months here, so these two months were busy with camps. Giorgio was invited to preach at several of them and we were able to go with him sometimes. They are usually 5 days long. Each summer camp caters to a specific demographic but all are meant to immerse the campers into the Word of God, away from any distractions. Giorgio preached at camps in Cuzco, Trujillo, Lima, and one in Southern Chile. After getting sick in early January, Giorgio was considerably weak and got sick almost every week with something new. We thank God for giving him the physical strength to carry on with his responsibilities.

Our church went on a mission trip to Chachapoyas, a city in the jungle of Peru. This was an amazing week for our church. The mission trip was very encouraging to the churches we visited and also to our church. We evangelized door to door in Luya and in Chachapoyas. We worked alongside one of our church's missionary to tell others about Christ's love and invite them to the special church services we were having. We had 2 midweek services, a

ladies meeting, a youth meeting, a men's meeting (which was a soccer game followed by preaching), and 2 children's programs. The first day there were around 90 children who came! They enjoyed the games, songs, a presentation of the gospel, and the mimes show.

In the last three months God has blessed our congregation with new members and more baptisms, and we continue to pray for a bigger place to congregate. The prices of property are very high where we are in Lima. 500 square meters is between 800,000 and 1.3 million dollars. This is severely expensive and so we ask you to pray that God would work in this situation. If it is not in His plans for us to have our own building, please pray that He will lead us to a bigger place to rent as we no longer fit in our current building in just one service. That is why we are currently having two church services.

Another prayer request is for an assistant pastor. We are looking for someone to join the pastoral staff permanently but especially for next year. We will be traveling for furlough in 2023 and need someone to minister in the church in our absence. The person we had in mind was trained but had to step down, and we are now in great need of someone to join us.

Peru has been going through several rough sociopolitical problems. You might have read or seen in the news that there have been riots and crime is going up fast. We had to be in lock down 1 day last month because of the riots on the streets. We thank God for his protection amidst all this situation. Please pray for these tense months for Peru. Schools are open again. It's been virtual for two years. So we are finally getting back to a normal setting for the kids. Our kids are excited about school and their friends, even though there are still many regulations to comply with.

We also want to thank you for the birthday wishes we received for Vienna and Vincenzo. Vincenzo is 6 and Vienna is 8 now. Time flies and we thank God for their lives and we ask you to continue to pray for our kids and for their walk with the Lord.

### *Please Pray...*

- for God's provision,
- for the salvation of church visitors,
- for the church to continue to grow spiritually,
- for God's will concerning a new location.
