

UNIT VERSE

Let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another.

Solomon Built the Temple

1 KINGS 6; 8

Four years after Solomon became king, he began to build God's temple. The temple would be 90 feet long, 30 feet wide, and 45 feet high. As Solomon guided the work, God spoke to him. God promised that if Solomon would follow God's commands and obey Him, God would always live among the Israelites and never leave them.

Solomon used panels of cedar wood, bronze, gold, and stone in the temple.

The most holy part of the temple was the inner sanctuary. This place would hold the ark of the covenant, which had been with the people as they traveled with Moses in the wilderness. The ark contained the two stone tablets with the Ten Commandments God had given Moses.

After seven years, the temple was complete. All the people gathered around as the priests carried the ark of the covenant into the temple. When the priests came out, a cloud filled the temple, and God's glory was in the cloud. "Blessed be the Lord God of Israel!" Solomon said. "God promised my father, David, that his son would build a temple. God kept His promise!" Solomon stood in front of all of the people and spread out his arms toward heaven. He prayed, "Lord, there is no God like You in heaven above or on earth below!"

After Solomon's prayer, he said to the Israelites, "Let your hearts be completely devoted to God. Obey Him in all things." Solomon sacrificed 22,000 cattle and 120,000 sheep to dedicate the temple to the Lord. Solomon and all of Israel celebrated for 14 days. On the 15th day Solomon sent the people away. They blessed the king and went home to their tents. They rejoiced and thanked God for His goodness.

LIVE IT OUT

Help your preteen understand that the church is the people who worship together. Think about some churches in your community who meet in different kinds of buildings. Pray with your preteen for these believers.
