

Good Afternoon New Beginnings Family,

As Pastor, I want to take this opportunity to reach out to you with information regarding our upcoming Church Services, and the Covid – 19 Pandemic. Last night, at an emergency Board Meeting, our Board approved a recommendation from me that I never thought I would ever have to make. Truly it was very hard, but one which I am fully convinced is a decision that will be shown to be the most prudent. There is an old saying “discretion is the better part of valor”.

The decision was that, New Beginnings is cancelling Sunday Services temporarily, beginning this Sunday, March 15, 2020. We are also cancelling Awana (more info to the Awana kids and parents in a different venue to follow) as well as cancelling the Women’s Conference on April 3rd and 4th. This decision is in light of Governor Newsome’s “edict” that gatherings of over 250 people are banned, and that gatherings of less than 250 require a “social space” of 6 feet per person. New Beginnings has been advised by our “District” and National Offices, that failure to comply with this could potentially make the Church and our Leadership liable for suit for damages, that would not be covered by insurance.,

This decision has been made not out of fear, but out of a passion to follow God’s word. Roman’s 13 tells us to “obey those that have the rule over you”. We want to be an example of the value of obedience to our families, our communities, and our world.

Because of this decision, I will be making a video available through our website for a Sunday a.m. address. As I said last Sunday “don’t worry about anything, but pray about everything”. Also – PARENTS, please talk with your kids. This is not a time to fear, but to look to God as our protector and provider. You are the primary educators and spiritual leaders of your children. They will follow your lead, as you provide them with an assurance of God’s protection and provision for their safety and security.

I invite you to join us online at 10:00 a.m. Sunday for a live message at nbschurch.com/live

Unbelievable times create unbelievable opportunities to see the love of God and His goodness!
