7 August 2020

LBC Back-to-Building Plans:

Please plan on attending one of two combined (Preaching & Lord's Supper) services, either:

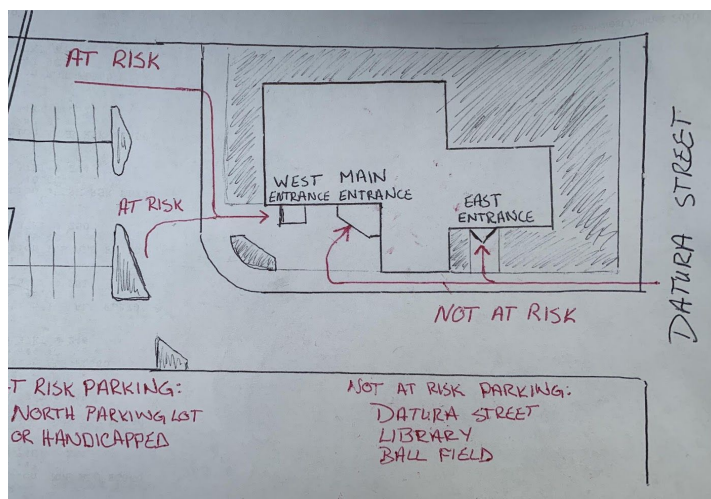

9:00-10:00am outside in the parking lot, or

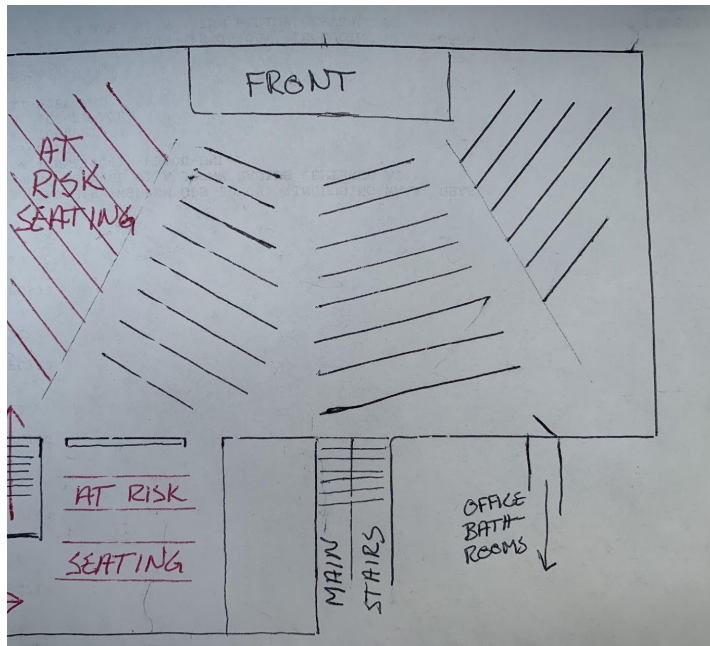

10:30-11:30am in the building.

If you are at higher risk: we have designated parking for you in the north lot and handicapped parking spots. Be advised that there may still be people in this area due to the 9:00am outdoor service. We ask that you enter the West entrance and use the west stairs or elevator. The west quarter section of pews and the overflow is set aside for your seating and ushers will direct you to your seat. If you need to use the restroom, please use the restrooms on the main floor near the toddler classrooms. The handicap bathroom is also available.

If you are at lower risk: We ask you to park on Datura street, or in the library or ball field parking lot across the street from LBC. Please enter the building through the main entrance and proceed upstairs on the main staircase. You will be directed by ushers to sit in the East $\frac{3}{4}$ of the sanctuary. If the sanctuary becomes full you will be directed to the East auditorium through the East entrance. Bathrooms for lower risk people are the office bathrooms.

We ask you to wear a mask when inside the building. We will be using alternating pews in the sanctuary to maintain physical distance. We feel this wearing a mask is a testimony to a watching world and a matter of loving our brothers and sisters who may be more vulnerable to the virus.

LBC Live!

We are so thankful that the Lord has allowed us to gather together again. However, we understand that some are still unable to attend in-person worship for various reasons, therefore, we are now pleased to provide live streaming of our outdoor services.

Please visit the following link to tune in live, each Sunday morning at 9:00am!

By coordinating the home groups, we hope to facilitate members starting, joining, and leading groups that meet the needs of their group. If you are interested in leading or participating in a home group contact Justin Kramer at 512-298-7665 or jkramer324@gmail.com.
