# JAMES CHAPTER 2

## STUDY QUESTIONS

---

1. Look up these verses and note the main idea of each: Leviticus 19:15, 18; Deuteronomy 10:17; Acts 10:34-35; Galatians 2:6; Romans 2:11
2. Now look in the mirror. Where is partiality creeping into your life?
3. What good is your faith? What do you do with your belief in God? How does it affect your actions?
4. Compare and contrast Abraham and Rahab. See Genesis 15 & 22 and Joshua 2 & 6.
5. Ask yourself: am I willing to offer the dearest thing in my life to God (like Abraham)? Am I willing to turn traitor to the world to be loyal to Christ (like Rahab)?
6. Name one thing you know God wants you to DO or change based on what you have heard.

KEY TRUTH: SAVING FAITH ALWAYS PRODUCES FRUIT. WORKS DON'T SAVE BUT THEY SHOW.
