LBC Back-to-Building Plans:

The elders have come up with a solid plan for the church to move service back inside the building. Lord willing, we will move back into the building for Sunday morning worship beginning on August 9th. Everyone will have the option to attend one of two combined (Preaching & Lord's Supper) services, either 8:30-9:45am or 10:30-11:45am. Please stay tuned for more announcements in the coming weeks.

LBC Live!

We are so thankful that the Lord has allowed us to gather together again. However, we understand that some are still unable to attend in-person worship for various reasons, therefore, we are now pleased to provide live streaming of our outdoor services. Please visit the following link to tune in live, each Sunday morning at 9:00am!

(All sermons will continue to be available via the website www.littletonbiblechapel.org, as well as on the LBC App which can be downloaded in the Apple App Store, or Google Play.)

July Memory Passage:

Acts 2:42 - And they devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers.

This verse is foundational for all we do at LBC. It highlights the 4 essential functions of the church gathered. We do more, of course, but these are the fundamentals. Just like any sports team can only be good if they are strong in the basics, a church can only be strong if they are secure in the fundamentals. Let it be said of us, as it was of the early church, that we devoted ourselves to the essentials.
