

# *1 Corinthians: Church for Broken People*

## **“Resurrection Bodies”**

1 Corinthians 15:35-58

*Very early, cynical questions were asked in Corinth about bodily resurrection. Some asked, “How are the dead raised? With what type of body will they come?” (v.35) Paul answers both of these questions. The omnipotent power of God is able to give you a body consistent with the promise of the gospel and suitable for life in an eternal world.*
