

1-2 Thessalonians: Living the Future Now

“A Pastor’s Personal Message”

2 Thessalonians 2:13-17

Paul’s discussion of the final doom of the man of lawlessness leads him naturally to consideration of the destiny of Christian believers. His readers were not among that crowd discussed in the earlier verses of this chapter. His pastoral affection for his people comes through loud and clear in these verses as he speaks intimately to this family of faith.
