**“Fear God and Nothing Else”**  
Haggai

*The first post-exilic prophet, Haggai, spoke to a people facing the daunting challenge of rebuilding a nation after the destruction of Judah, Jerusalem, and the Temple by the Babylonians two generations earlier. His sermons on the priorities of God’s people are powerfully suitable for believers living today in a nation without spiritual foundations.*

**1. Be Careful and Consider (1:1-15)**

**2. Be Strong and Work (2:1-9)**

**3. Be Pure and Win (2:10-23)**
