## **“Visions of Hope”**

**Zechariah**

*Teaching alongside Haggai, Zechariah’s post-exilic message went far beyond physical walls and Temple issues. He told of the Messiah, the One whom God would send to rescue His people and to reign over all the earth. This prophet speaks of both the first and the final comings of Jesus. As you read, consider this—your King is coming and He will reign forever!*
