

## *Acts: Church Blueprints*

### **“Biblical Proclamation”**

Acts 2:14-40

*This passage is of vital importance both in its description of true biblical preaching and in the display of divinely secured results from that proclamation. The general absence today of this powerful proclamation is an ongoing indictment of contemporary evangelicalism. Such teaching is an indispensable characteristic of an authentically biblical church.*

#### **1. Word of Explanation (vv.14-21)**

- **Rejected Stereotypes**

- **Recited Scriptures**

#### **2. Word of Exposition (vv.22-40)**

- **Condemned**

- **Confirmed**

- **Called to Action**
