

Committee Service Expression of Interest

Committee on Committees is beginning its process of nominating church members to serve on church committees and ministry teams for the 2022/2023 year. You must be a church member to serve on a committee; membership is not required to serve on a ministry team. If you have an interest in serving on a particular committee or team, please complete this form, bring it to worship on Sunday, and drop it in the Giving Box, or complete the form online, on or before April 10. (Please check no more than three committees/ministry teams.)
