WELCOME TO HIGHER GROUND

Praise the Lord! I'm so excited!

Is Jesus in you contagious? We are hearing so much about contagious diseases. Contagious Diseases spread and many times cause death. For example to name a few: the flu outbreak in 1850, the Spanish flu pandemic 1918-1919 that killed 50-100 million people, and now the Coronavirus, with a death toll at 5,507,346 and counting. These diseases are contagious, spread by direct contact, by touches, kisses, even coughs and sneezes. These diseases attack everyone, every race, every color, every age, rich or poor, average or intelligent, all are susceptible.

Jesus in us should be that contagious! Oh that we would spread the love of Jesus as these viruses spread. Person to person, with no exemptions, every race, every color, every age, rich or poor, average or intelligent, spread to everyone. Spread Jesus now. We can safely spread Jesus today with a wave, a smile, a kind word, a phone call, or a loving card. Jesus is the antibody that will forgive and heal sin and give life for the soul, not death. Is Jesus in you contagious?

It is a joy to be your pastor,
Brother Ronnie
