

The Centenary Sliding Scale Worksheet for the After School & Summer Programs

Complete the attached form and we will calculate a weekly contribution that is appropriate for your current income. Please contact Mary Grey to inform her of any changes in income during the year and your fees will be recalculated.

If you choose NOT to submit income information your fees will be the following:

After School:

1 child - \$30
2 children - \$50
3 children - \$60

Summer:

1 child - \$70
2 children - \$90
3 children - \$125

**Please attach a copy of your most recent income tax return or
3 most recent concurrent pay stubs of each adult in household.**

Children Enrolled in Program	Age & Grade in School & Name of School

Adults in Household	Employer	Weekly Pay
Total Weekly Income for Household		\$ _____ . _____

Additional Children in Household	Age & Grade in School & Name of School

The following calculations will be done by Centenary staff:

Total Number in Household: _____

Total Weekly Income per Household Members: \$ _____

Cost of After School Program: \$ _____

Cost of Summer Program: \$ _____
