Giving Breakdown
A breakdown of the received giving
amounts for the year 2021

MATT SMITH

Lead Pastor, Matt Smith

“When God put Vintage in my heart it seemed like an impossible dream. I knew from the beginning, the expression of church I had in mind would take a lot. To make this vision a reality God would have to put it in the hearts of many. We would need a group of deeply committed, hard working volunteers. The technology we needed to leverage would be costly. I also knew my limits. God would have to surround me with people that could fill in all my gaps. A staff of gifted leaders who would dedicate their lives to building his church is not easy to find or afford. I remember wondering, “How will all this happen?”

Now I look back and somehow it has come to fruition. God has built something special over the last 13 years. The generosity of faithful people like you is how it has happened. Of course, God gets all the credit and glory, but he has used your resources to position our church to accomplish all he desires. I’m so grateful for the way you give. I’m honored that you trust our church enough to sow into it. Your contribution is greater than you know.

As I look ahead, I have new dreams I can’t wait to watch come true. Ones that seem as impossible now as it all did in the beginning. Your generosity in the days ahead will enable us to keep moving FORWARD. Thank you for partnering with us as we continue to inspire people to live and love like Jesus.”

STAFF

Discipleship Pastor, Jasmyrn Denton

“In reflection of 2021, I see it as a year of inviting a level of discomfort with the status-quo Christian life and taking intentional steps to really follow Jesus and be like him. I am overwhelmed by the incredible women and men who God has brought to Vintage Church. People who are new to faith and are asking questions, people who are stepping into teach and lead others to mature in their faith, people who go beyond casually attending to deeply investing and believing in the mission of Vintage Church. From community groups and classes to Serve the City initiatives and global partnerships, I have the privilege of witnessing leaders rise-up and raise-up more leaders who genuinely live and love like Jesus. I wish I could say it is because of something I have done, but it is completely a testimony of God’s faithfulness to his desire to see his kingdom grow. I pray that Vintage Church continues to be a place where he trusts us with his most treasured resource: people.”

vKids Pastor, Sananda McGehee

“2021 was an awesome year! This year in vKids we created an online training platform that streamlined our new volunteer process helping us get volunteers plugged in faster and more effectively. We taught our first parenting class that went very well and the curriculum we use was a fantastic resource for us to share with families in vKids. My favorite event was the drive thru Trunk or Treat. We were able to have a fun family event that was reasonable in cost and gave volunteers a great opportunity to connect. One of our largest and ‘most worth it’ expenses is our Think Orange curriculum that has multiple, easy to use resources for teachers and parents to use at home and at church. 2021 was the first year of having three part-time kids ministry assistants, and they were a huge addition to the operation of this ministry! Thank you for enabling us to inspire your children to live and love like Jesus in safe, excellent environments.”

DIANE HAYES

Elder, Diane Hayes

“When I moved to the area almost 30 years ago someone asked me if I had a “church home,” not having been raised in the south or having a family that really went to church on a regular basis, I had no idea what they were talking about. Then I walked into Vintage Church which was then about 50 people meeting in the theater at Randleman High School. From the moment I walked in the doors of Vintage Church, I felt loved. I felt home. The word that was shared on Sunday led me to understand God, and how accessible He was to me. The experience was so uplifting, and so pure in spirit. I could not quit coming back for more!

I often think of the first day I attended Vintage some thirteen years ago, and how blessed I am God led me here! While Vintage has grown and changed over those years, the consistency has been the love that is showered on people as they walk through the door, and the presence of God in all aspects of the gathering. That consistency could only continue to be made possible by your generous giving. The giving of your time, your spirituality, and your finances. Thank you for making it possible for Vintage Church to continue to move forward into all God has planned for us as a church home for those in the Randleman community and beyond.”

STAFF

Video Director, Storm Curry

“Because of your faithful giving, we were able to purchase two new cameras to improve the quality of the online worship gathering. We created a space for our Sunday volunteers to relax and feel refreshed while serving and were able to provide production volunteers with breakfast every Sunday morning. Thank you for enabling us to inspire people to live and love like Jesus!”

Creative Director, Dustin Lohr

“Because of your generosity, we have been able to expand what we do through creative technology to reach those who may never - or who are hesitant to - step foot into our building. Here at Vintage, we value high-quality production as this is now the norm in our culture. Our vision is for the church to be on the leading edge of technology, creativity, and innovation in hopes to spread the message in the most beautiful way possible. Your generosity makes this possible every year!”

Worship Pastor, Christian Hohn

“Year after year we see God move through the ministry of Vintage Worship. In 2021 I watched our team become closer than ever, caring for one another off the platform. These are not just typical superficial relationships, these people really do care for and love one another. This has made us a stronger, united team chasing after the heart of Jesus.”

'21 HIGHLIGHTS

Thanksgiving Meals

In 2008, the first year of Vintage Church, we provided Thanksgiving meals to a handful of families at Randleman High School who otherwise would not have had a meal. Fast forward thirteen years to Thanksgiving 2021: VC paired your generosity with our amazing partners at Run 5 Feed 5, Foster Caviness, Triad Meat Company, and Coke to serve families in every school in the Randolph County School district and Uwharrie Charter Academy, along with families referred to us by people here at Vintage Church. On Tuesday night, November 23, we witnessed 286 volunteers as they delivered complete thanksgiving meals to almost two thousand people in our community. Under the leadership of Jessi Green and her team, this Thanksgiving Meal Initiative was our best yet, and we are prayerful and hopeful about what God will let us do next to Serve our City.

Women's Weekend

"Women's Community Group is a gift to each woman who walks through the door on Thursday nights. One of the most significant areas of growth we witnessed last year is that women are picking up their Bibles to read it with confidence. Increasing Biblical literacy is breathing life into an area where women have expressed disqualification, misunderstanding, or just a lack of direction. Our weekly conversation around understanding the story of God and taking our time to read and discuss the Gospels in 2021 laid the groundwork for interest in reading through the Bible in 2022. We currently have over fifty-five women actively engaging in The Bible Recap reading plan!

The past few years have left people feeling isolated and disconnected, so for many women the highlight of the year was Women's Weekend. Sixty-one women gathered at Victory Mountain Camp for a weekend of abundant connection and learning to be On Mission. Women leaders within VC engaged those gathered in powerful sessions of learning, prayer, vulnerability and worship. The presence of God over us that weekend was tangible. The fruit from the weekend was both immediate and on-going: friendships created and restored, hope gained, connections made, testimonies shared, freedom in honesty, women being seen, and a deeper desire to spend time with Jesus."
