### Mission

**"For people to have life and life abundantly in Jesus Christ."**

That is why we exist. We believe that Jesus is the only way to true eternal life, and that eternal life starts at the moment of salvation through and in Him. Everything we do at Anothén Church emphasizes what Jesus said He came to offer.

#### Presence:

We know and believe God is here and, all things are possible

#### Diversity:

We know and believe people of all cultures, backgrounds, and ages matter to God and, us.

#### Prayer:

We know and believe prayer changes things because it gets God involved.

#### Serving:

We serve God by serving others; every partner is a minister.

#### Community:

We live in community with God and his people

#### Faithful Financial

**Generosity** God has blessed us to be a blessing. We respond to Him through worshipful obedience in giving Him our tithe and offerings.
