## DISCUSS

Samson's is the only birth story in the book of Judges. Why might this be significant?

What other miraculous birth stories can you think of in the Bible?

What is the purpose of Samson being a nazirite from the womb?

The angel of the Lord said his name is "Wonderful." What does this name reveal about the character of God?

## APPLY

Think of a situation where the Lord required you to do something you didn't want or ask to do?

How did you feel inadequate?

How have you seen Him help and bless you in spite of your doubts and inadequacies?

What is it that God wants you simply trust and obey?

What difference does it make knowing that God is with you through any and every difficulty?

## COMMIT

Read Psalm 139 and meditate on the truths about God that are too wonderful to fully comprehend (v. 6).
