DISCUSS

What are the characteristics of the old covenant in this passage?

How is the new covenant better?

What is the role of the Holy Spirit in the new covenant?

Explain the following statement: “where the Spirit of the Lord is, there is freedom.”

APPLY

How can the new covenant promises give you the same hope and boldness that Paul experienced (v. 12)?

How do you experience the freedom of the Spirit in contrast to the letter of the law (v. 17)?

Paul says that we are transformed into the image of Christ as we behold his glory (v. 18). How can you behold the glory of Christ in a way that leads to this kind of transformation?

How does it encourage you to know that your spiritual transformation is progressive?

COMMIT

Like Paul describes, do you hear the Scripture read with a veiled mind and heart (vs. 14, 15)? How so? Ask God to remove the veil so that you would see the glory of Christ. Prepare yourself to share what he reveals.
