Date: June 20, 2021

Series: Judges

Title: Deborah and Barak

Text: Judges 4:1-5:31

Big Idea: Behind the deliverance of sinful people are successful leaders empowered by a great God.

APPLICATION GUIDE

DISCUSS

In what ways is Deborah a godly woman?

Why did Barak refuse to go to war unless Deborah went with him?

How does this reveal Barak's lack of faith in God?

APPLY THE TRUTH

How is fear keeping you from obeying what God has asked you to do? What does faithful obedience look like in this situation?

How does real or perceived inability keep you from trying to do great things for God? How can this same inability be a reason to try and trust in God anyway?

How have you seen God go before you in the past to give you success?

In what ways do you need to "get up and go" in obedience to the Lord's will as you trust him to go before you in faithfulness and love?
