Why is it important for Christians to respond biblically?

APPLY THE TRUTH

What attributes of God have been helpful for you to call to mind in light of this current national and global health crisis?

What do the following passages say about God, and how do they help you trust him more fully?

- Exodus 34:6-7
- Psalm 46
- Micah 7:18-20
- Romans 11:33-36

How can you show generosity toward your neighbors in this time of crisis?

What fears might keep you from using this crisis as an opportunity to speak boldly for Christ?

What truths help you overcome those fears (cf. Matthew 23:37; Romans 9:3; 1 Corinthians 9:16)?
