APPLICATION GUIDE

DISCUSS

Read Ephesians 4:7-16. How are people enabled to live at peace with one another?

What is the purpose of spiritual gifts?

What are the marks of spiritual maturity?

APPLY THE TRUTH

What kinds of ministry can you offer others to help build up the body of Christ?

What excuses do you make for not serving?

Evaluate yourself personally. Are you the kind of person to speak the truth without love, or not to speak at all?

What does it look like to speak about difficult and even controversial subjects in love? Be specific.

COMMIT THIS WEEK
