# APPLICATION GUIDE

## DISCUSS

Why does Jonah run? How does God's compassion pursue him?

How does Nineveh respond? How does God's compassion pursue them?

Look at Matthew 12:38-41. How does Jesus liken His ministry to Jonah's?

## APPLY

Where do you see Jonah in yourself?

Describe a time where your thoughts and plans collided with God's. How did you respond? What truths helped you realign to His word and ways?

What does self-righteousness practically look like in your life? What truths from the book of Jonah can you use to put it to death?

How can you fight against spiritual apathy and cultivate renewed passion for God and His word?

## COMMIT

Meditate and memorize Isaiah 55:6-9. Preach the truth that God's ways are better than yours when you are tempted to doubt His character.
