Title: Criers for the Kingdom

Text: Luke 10:1-24

Big Idea: Truths to remember as we proclaim the gospel of the kingdom until Jesus comes.

APPLICATION GUIDE

DISCUSS

Read Luke 10:1-24. What was the purpose for which Jesus sent out the seventy-two?

Jesus sent them out two by two. What is the importance of this instruction (cf. Mark 6:7; cf. Eccl. 4:9, 11; John 8:17; Num. 35:30)?

What great opportunities for spiritual harvest exist before the church today?

APPLY

As you look at the landscape of your personal life, what opportunities for spiritual harvest do you see God ripening?

Don't let these opportunities pass you by. What steps can you take to reap a spiritual harvest for the Lord?

Because Jesus sends us out as lambs among wolves, there is an inherent risk in serving him. What risks cause you to hesitate?

Why would these risks be worth the rewards of serving him?

COMMIT

More than anything else, Jesus calls us to pray. Will you commit to praying at 10:02 every day for the Lord to send more workers into his harvest field?
