5 Principles for our Technology

1 Technology is in its proper place when it helps us bond with the real people God has given us to love.

2 Technology is in its proper place when it starts great conversations.

3 Technology is in its proper place when it helps us acquire skill and cultivate creativity.

4 Technology is in its proper place when it helps us promote awe for the created world we are a part of and responsible for stewarding.

5 Technology is in its proper place when we use it with intention and care.
