

YOU ARE WELCOME HERE

Good morning and welcome to Calvary Auckland!

We are so glad that you are here with us today. If this is your first time to visit please take a moment and fill out a contact card so we can get to know you better.

Our Church service consists of a time of music & worship, Bible study, prayer, and meeting other people. We have crèche and children's classes during the service for kids 0-12, and Youth aged 13-17. Please let one of the ushers know if you need anything.

We are here to help!

THIS WEEK FROM THE PASTOR

Hello Church,

Each week I look forward to coming to Calvary and seeing all of you! You may have noticed that our Church family is growing, and that's great news. As people become part of our congregation, we want to provide a way for us to get to know each other and stay connected. One thing that will help with this is a Church directory. Starting next week, we will do photos for the directory for anyone who wants to be listed. If you call Calvary your Church home, then make sure to get your family photo and info submitted. It will be a quick process, and you will see the photo booth setup in the fellowship hall starting next

week for three weeks.

This week coming Growth Groups are starting back up. Growth Groups are small home gatherings where we get together during the week for fellowship and prayer. If you are not a part of one you can give one a try by visiting our website and finding out more. These groups will run for eight weeks.

God bless, Brian
