

# WELCOME TO CHURCH ONLINE!

## WE ARE GLAD THAT YOU ARE HERE

We know that this is a difficult time for everyone, and we are glad that you have chosen to add some Church encouragement to your week.

## WHAT TO EXPECT

The online service starts around ten. We will have a time of worship and pray. There is a time of teaching from the Bible. We will have a prayer and encouragement from one of our elders. Join us in the comments!

## PRAYER NEEDS

The prayer team is available online. If you would like prayer, Godly men and women are available to pray for you. We also have an email prayer list you can join by visiting next steps.

## CHILDREN'S MINISTRY

Take some time before or after the service to have a Children's lesson for your kids. They need some spiritual input today too!

## FINANCIAL GIVING

We believe that financial giving is a big part of our Christian faith, and God blesses us as we commit our finances to Him. If you would like to give you can do so easily and securely online on our website.

# FROM THE PASTOR

YOUR WEEKLY UPDATE AND  
ENCOURAGEMENT

5TH APRIL 2020

Hello Church!

We are now in week two of lockdown, and it's starting to feel very strange and surreal. Did you ever even imagine that we would be here a month ago? Well, the good news in all of this is that this hasn't taken God by surprise. He knew this would happen, and He has prepared us for this time! God is with us, and He will see us through.

Here are some practical things you can be doing during isolation to stay connected to your Church family. First, make sure that you are getting our emails and watching the live video services and updates. Seeing your pastor, worship leader, and elders is a great way to remember that we are still here! Second, if you need anything at all PLEASE ask. There are many people who would love to help in our Church congregation. It can be anything from prayer requests, grocery delivery, or even counselling. We have the resources so don't be afraid to ask. Finally, a great way to stay connected to Church during isolation is to participate in online groups and meetings. We are using Zoom technology and it's very easy for you to get involved. There are several Growth Groups meeting during the week online, and they would love for you to be part of them! Go online to get more info at Next Steps on [www.calvaryakl.nz](http://www.calvaryakl.nz)  
Never forget that you are not alone, and that we are all in this together. Keep positive, keep praying, and God will make a way!

- Brian
