discovery GROUP

Welcome!

We all have different backgrounds, different influences, and different questions. Discovery Groups are designed to take the pressure off and give space for you to read the Bible and discover for yourself what it says. The structure is simple. We will hang out, talk about what's going on in our lives, and then follow this format together:

Read a passage from the Bible Together.

Retell the story in your own words.

Read the passage a second time.

QUESTION:

- 1. What did we read that you liked?
- 2. What did we read that rubbed you the wrong way?
- 3. What is not clear to you?
- 4. What does this story reveal about God?
- 5. Is there anything here that can help me live differently over this next week?
