

Premarital Counseling

Congratulations on your engagement!! We are excited to partner with you in preparing for your upcoming marriage. We are committed to supporting and providing you with the tools to build a God-centered and God-honoring marriage.

If your wedding will be officiated by any of our pastors on staff, please know that it is the policy of Liberty Church that the pre-marital counseling process is completed prior to your wedding. With that in mind, please begin your counseling sessions **at least eight (8) weeks before your wedding date.**

After we have received your Pre-Marital Counseling Application, you will be emailed a link to take the PREPARE/ENRICH Assessment. This assessment will measure your relationship strengths, weaknesses, and skills. This is NOT a personality assessment. Once you have completed the assessment, your results will be sent to us and your first counseling session will be scheduled.

TOTAL COSTS:

- \$200 (LC Members) or \$300 (Non-LC Members) for pre-marital counseling (4 sessions)
- \$35 for PREPARE/ENRICH Assessment (per couple and paid online via the link sent)
- \$15 for Five Love Languages by Gary Chapman (Required Reading)
- TOTAL: \$250-\$350

Additional Pre-Marital agreements:

- Both people agree to hold to a Biblical model of marriage. Marriage is a life-long, sacred covenant formed by God and only breakable by God. The marriage relationship is the physical representation of our relationship with God and therefore we hold it in the utmost honor.
- If you have not already made a commitment to sexual purity, the couple agrees to abstain from sexual relations from this point on until after the wedding ceremony.

Based on Hebrews 13:4, I believe God intended for sex to be expressed and enjoyed only within the confines of the marriage relationship.
