SUMMER 2022

# Mission

---

At College Church, we believe spiritual growth happens most effectively in groups that provide opportunities to launch, laugh, learn, live, lead, and love.

*“For where two or three are gathered in my name, there am I among them.”*  
- Jesus

*Matthew 18:20*

# A Summer of Laughter

---

Why We Need Relational On-Ramps

**CONSIDER A  
SUMMER OF  
LAUGHTER.  
A LITTLE  
BELONGING  
GOES A  
LONG WAY.**

**LAUGHTER  
MAKES A NEW  
HOME SO  
MUCH MORE  
INVITING.**

Being new can be difficult and overwhelming. Imagine showing up at a new place, being told that “this is your new home” but looking around only to see a sea of unfamiliar faces. Sure, the faces are friendly enough, but how do you move from friendly to friendship? It can be a daunting task.

In fact, this isn’t just a problem for new people. Throughout College Church you will find wonderful people who feel they are ready for stronger relationships and missional participation. It’s a very common feeling. The truth is we desperately need relational on-ramps.

The summer season is the perfect time to take advantage of the relational on-ramps that Groups at College Church provides. In this catalog and online ([www.collegechurch.com/groups](http://www.collegechurch.com/groups)) you will find all types of groups that provide learning, community, and leadership development opportunities. But I don’t want you to forget to LAUGH and to invite others to LAUGH.

Make sure you spend some time looking through the relational on-ramps listed in the LAUGH groups.

While it may be relatively easy to invite someone to College Church, we have to remember that it isn’t necessarily easy to enter into a new strange place. Perhaps you are experiencing this yourself. Consider a summer of laughter. A little “belonging” goes a long way. Laughter makes a new home so much more inviting.

Explore the call of Jesus to His disciples then and to us today. See how God's Word can sustain us even in the most difficult of times and embrace the transformative grace we experience as children of God in His kingdom of celebration.

### **Visioneering – Finding God's Purpose for Your Life...Even in Retirement**

Monday / June 13 – June 27 / 7:00pm – 8:30pm

College Church – V301

Leader: Jerri Sapp

Vision is a preferred future. A destination. Vision always stands in contrast to the world as it is. Visioneering, according to bestselling author Andy Stanley, is "a clear mental picture of what could be, fueled by the conviction that it should be." In this 3-week class, students will learn key principles that can prepare us to find and follow God's vision for our own lives. Even in retirement and through periods of transition, you have a purpose...and God has a plan.

*Keep putting into practice  
all you learned and  
received from me -  
everything you heard from  
me and saw me doing.  
Then the God of peace  
will be with you.*

Philippians 4:9 NLT
