Today's Study: Genesis 50

Pastor James Kaddis

Pastor's Corner

"...For the perfecting of the saints, for the work of the ministry,
for the edifying of the body of Christ..." (Eph. 4:12)

I think it's relatively safe to say that throughout my life, I have never had a problem understanding the love of my Heavenly Father (make no mistake about it, I most certainly do not understand the depth of our Heavenly Father's love; I don't think there's a single human being who can possibly begin to understand that metric). Perhaps the greatest and single most contributory variable for my understanding of our Father's love centers around my earthly father. My father was involved in every aspect of my life. Actually, he is still involved in every aspect of my life. My dad was there for me anytime I needed him, and even in those times where I thought I didn't need him. He's always loved me, cared for me, raised me up in God's ways and stood as the single greatest example of a father and husband any son could ever observe. To this very day, my father serves as the greatest tool I have ever had in Bible counseling outside of the Bible. The practical wisdom that I learned from him, and continue to learn for that matter, will be passed down from generation to generation. The Bible gives us every indication that children's perspective on their earthly father will heavily influence how they see their Father in heaven. The Psalms tells us, ***"Like as a father pitieth his children, so the LORD pitieth them that fear him."* (Psalm 103:13 KJV)** As you can see, the Bible often draws parallels between the two, so to all you fathers out there; do what my dad did for me! Love God with all your heart, soul, mind and strength. Show your children that their Heavenly Father loves them through your love! Don't ever forget that your influence will always be the heaviest. God bless you, and HAPPY FATHER'S DAY!!!
