

ALL NATIONS LEADERSHIP COLLEGE TIMETABLE & CURRICULUM

...

The curriculum includes the following subjects, grouped into three key modules, **Skills**, **Theology** and **Application**

Leadership College takes place online via Zoom on Wednesday evenings and one Saturday per month in term time.

In addition we ask Ministry Formation Groups to meet regularly and informally to pray, support one another and to journey together. The key questions for these Ministry Formation Groups are:

- How do the things we are learning apply in practice, in each of our contexts?
- How are you currently growing as a disciple?
- What experiences or difficulties have we experienced in the course of serving? How do we think biblically about them and how shall we pray about them?

The dates of the Wednesday and Saturday sessions are listed over the next few pages.

Timetable

	Teaching through conversation, dialogue and 'doing'	
Skills - Crossing cultures		Discovery Bible studies
		Mission and conversion
	Points of contact for evangelism	
	Workplace discipleship and mission	

Putting it all into practice

We will discuss in Ministry Formation Groups how you can take opportunities to develop skills in practice as you serve either in your own context or as an intern.

Assignments and presentations

You may produce an essay or structured presentation each term. Presentations can be as creative and imaginative as you are! What we ask is that they show you have researched thoroughly and engaged with the theme studied. We will give some guidance on what is expected if you wish to capture some of what you are learning in this way.
