

How to make a Treasure Hunt Pudding

What you'll need:

- Bowl (preferably clear)
- Angel Delight (or something similar)
- Milk
- Biscuits
- Chocolate chips
- Spoon
- Whisk/fork
- Something red and edible
- Edible treasure (e.g. sweets)

1. Make your pudding (e.g. Angel Delight) by following the packet instructions
2. Decide where to hide your treasure in your clear bowl and place inside the bowl
3. Pour all your pudding mixture into the bowl, covering the treasure and leave it to set
4. Get the biscuit crumbs ready by putting your biscuits into a bag and bash them with a rolling pin until they're all broken up and look like sand!
5. Sprinkle the biscuits all over your pudding
6. Try to remember where you hid your treasure and use your red, edible items to make an 'X' to mark the spot
7. Use chocolate chips to create a path to your 'X'!
