

WOMENS'S BIBLE STUDIES JAN.2021

WHY CHRISTIANS SHOULD CARE

ABOUT ISRAEL

ZOOM BIBLE STUDY

Monday Evening 6:30 - 8:00pm by Zoom

January 4 - February 22

Leading: Janet Aslin

Why should we, as Christians, care about the Jewish people and Israel? The simple answer, because God does. As we explore His relationship with His "firstborn" we will discover His passionate love, not just for the Jewish people but for us, the wild olive branch that has been grafted on to the cultivated (Jewish) olive root. This will be an introductory 8 week study during which I hope a flame is lit in the hearts of participants to learn more.
